

AMCO

De Veg & Masonry
Repairs

January 2016

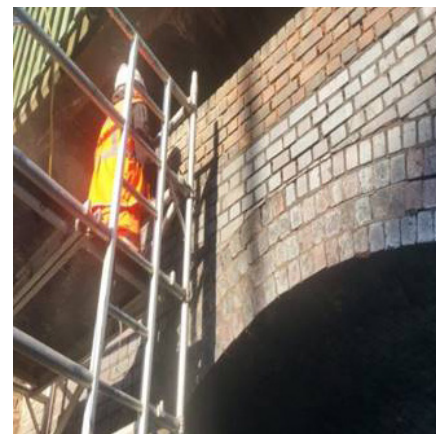

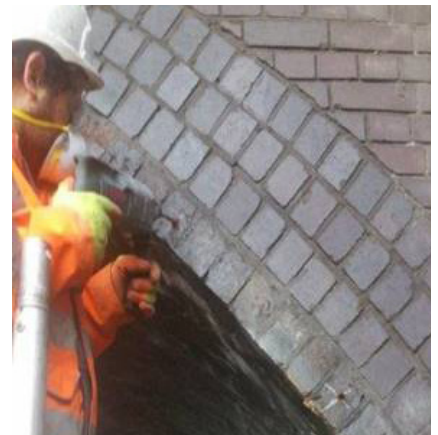

4 weeks

We were contracted by AMCO to undertake deveg works and Masonry repairs to Brook bridge at Sandwell and Dudley station.

The works were completed to a high standard and delivered on time and within budget.

Client feedback :

"Network Rail were here yesterday to inspect the job and were very impressed with the standard of work and the way that they had performed on the project. I would also like to say how impressed we have been the standard & quality of the guys and their work." Lee Warner (Sub Agent) Amco, 5th February 2016.
