

Alun Griffiths

Footbridge

September 2022

8 Weeks

Universal Group were contracted by Alun Griffiths various piled solutions for a new footbridge at Cwmcynon.

Our Piling team worked with our project partners Alun Griffiths to form bearing piles and a contiguous wall for a new footbridge at Cwmcynon.

We were contracted to deliver/install:

- 40nr 450 & 600mm diameter SFA piles upto 9metres in depth.
- 31nr VL603 Sheet Piles at 6m each.
