

Morgan Sindall

SFA Piling

July 2022

18 Weeks

Universal Group were contracted by Morgan Sindall to deliver piled foundations adjacent to Parsons Tunnel, Dawlish.

Our Piling team worked with our project partners Morgan Sindall to deliver the piled foundations, for a new rockfall shelter adjacent to Parsons Tunnel, Dawlish.

We were contracted to deliver/install:

- 86nr 450mm diameter SFA piles to depths of upto 14.5m, complete with full length reinforcements & integral columns.
- All works were carried out under ALO & possession conditions.
